

**IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER
MONITORING REQUIREMENTS NOT MET FOR**

PAW PAW WATER WORKS, WV3303308

We are required to monitor your drinking water on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. Between 9/1/2022 and 9/30/2022, we failed to submit the required samples as indicated below and therefore cannot be sure of the quality of our drinking water during that time.

What should I do?

There is nothing you need to do at this time.

The table below lists the required monitoring and the compliance period.

Required Monitoring	Compliance Period
9/1/2022, MONITORING, ROUTINE (DBP), MAJOR Failure to Report Required Chlorine Residual With a Coliform Sample Result	9/1/2022 to 9/30/2022

What happened? What is being done? (Describe corrective action)

Pace Analytical Lab lost our sample and chain of custody paperwork
When we realized what had happen, it was too late to collect
another sample

For more information, please contact Steven Bowers at 304-813-8545
or 122 Winchester St. Paw Paw WV 25434
(Contact name) (Phone number)
(Mailing address)

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by: **PAW PAW WATER WORKS**

State Water System ID #: WV3303308

Date Distributed: 6 December 2022
